01:08:34 PattieBelle Hastings: Divine Beloved, Change Me into someone who can give with complete ease and abundance, knowing You are the unlimited Source of All.

Let me be an easy open conduit for Your prosperity.

Let me trust that all of my own needs are always met in amazing ways and it is safe to give freely as my heart guides me.

And equally, please change me into someone who can feel wildly open to receiving.
Let me allow others the supreme pleasure of giving to me.
Let me feel worthy to receive in every possible way.
And let me extend kindness to all who need it, feeling compassion and understanding
in even the hardest situations.
Change me into one who can fully love, forgive and accept myself and others...
so I may carry your Light without restriction.
Let everything that needs to go, go.
Let everything that needs to come, come.
I am utterly Your own.
You are Me.
I am You.
We are One.
All is well.

01:55:12 Joanne's iPhone: I'm finding that I am a changed person since I got so sick on Sunday. I intentionally released a lot of old baggage , but even more important is that I feel like softer, kinder, wiser person who is no longer reacting to everything like a scared child and trying to, as you said, micromanage the universe. It's profound and right in line with what we are doing here. I am learning more every day. Thank you so much for this weekend ♥■.

I think Tosha means "offer" it to the Divine so that it belongs to Her and ask to be guided to the right actions, treatments etc.

I get that and when I said it's not my cancer and offered it to cancer in the world in general - I felt a new inspiration that when I heal it in myself I was also helping to heal it the world - with the Divine moving through me and not for me

01:59:16 JenniferRose: This what I say. I am having the experience of cancer, pain, discord etc.

01:59:20 Mandy Bishop: OMG, I'm am being pushed to face my fears and take courageous steps every day, it's wild. And so often if not always, I feel better afterwards.. but I still have no idea where I'm going and often I still am not sure of the next step... and often I feel frozen. Then when I remember the Divine and have faith, I'm ok with it, but often, it's still v. challenging. So it's good to be reminded to remember the Divine!
